

**Peak
Performance
Productivity**

*"It's Not The Time You've
Got, It's What You Do With
It That Counts."*

"How Busy People Can Eliminate Distractions And Get Even More Done"

**A 3 Hour Workshop Perfect For Masterminds, Business
Leadership Groups And Busy Professionals Called:
"The Power of Focus, The Discipline To Deliver"**

An interactive and engaging session to evaluate your current productivity, choose specific behaviours to get you more focused, and then install them as permanent habits.

In Depth Analysis

Discover your productivity blind spots and identify barriers preventing you from achieving even more.

3hr Interactive Workshop

Pick cutting edge productivity and focus improving behaviours grounded in neuroscience and performance psychology.

Habit Development

Develop your chosen behaviours into automatic habits to get you laser focused to deliver much, much more.

Participants Will Enjoy

- ✓ **An Engaging and Practical 3hr Workshop**
(Absolutely NO Powerpoint!)
- ✓ **A Detailed Implementation Plan**
- ✓ **A Playbook Of Productive Behaviours**
- ✓ **A Habit Development System**

Delivered by **Michael Tipper**,

Host of the Peak Performance Productivity Podcast, Author, Award Winning Speaker, Self Confessed Systems & Process Nerd And A Champion Of All Things Effective And Efficient.

"Michael delivered an engaging and highly innovative session to my group that not only delivered great value but drove effective action so my people got a significant return on their investment of time with him."

**Simon Chaplin, Chairman
The Accountant's Mastermind**
